Mrs. Chisholm is reorganizing and generally encouraging and assisting the different Eastern Star lodges throughout the Territory. She is a most consistent and enthusiastic worker for this society. And it is most earnestly to be hoped that, her efforts will revive the waning interest among our members here, and enable this circle to take the place among our fraternal orders that it properly deserves.

Owing to an unfortunate chain of circumstances, Samuel Raines of Folsom was implicated in the affair and was put under his own recognizance to answer to a charge preferred by the man Dotson.
